St. Lawrence Central  
Brasher Falls, New York  
1972 Centralian  
Vol. 19

Besides standing for St. Lawrence Central, the S.L.C. on the cover has a different meaning: Scholarship, Leadership, and Creativity. These are the three main things St. Lawrence has to offer to all students who attend here. Whether you are born with these qualities or not, chances are that you will leave here better endowed with them. The letters shown as intertwined give a feeling of unity--something St. Lawrence is known for and the Class of '72 especially famous for. We hope the spirit continues long after we've gone--that we have passed the message to our underclassmen.

# A Dedication

To Mr. Robert Pickard and Mrs. Glenda Cowen

STANDING, Left to Right: Mr. & Mrs. Pickard, Mr. & Mrs. Eli Cowen.

*Best of luck,  
Mrs. Cowen*

Thank you . . .

Two small words which mean so much and are meant so sincerely by all of us: This is all we can say.

You have watched us grow, expand ourselves and shine outward over four years of the best time in our lives. You have worked with us-- and worked hard. You have shared our disappointments and our victories. You have laughed with us and praised us, and have rebuked us when we deserved it. You have defended us and stood by us. You have made us everything we are.

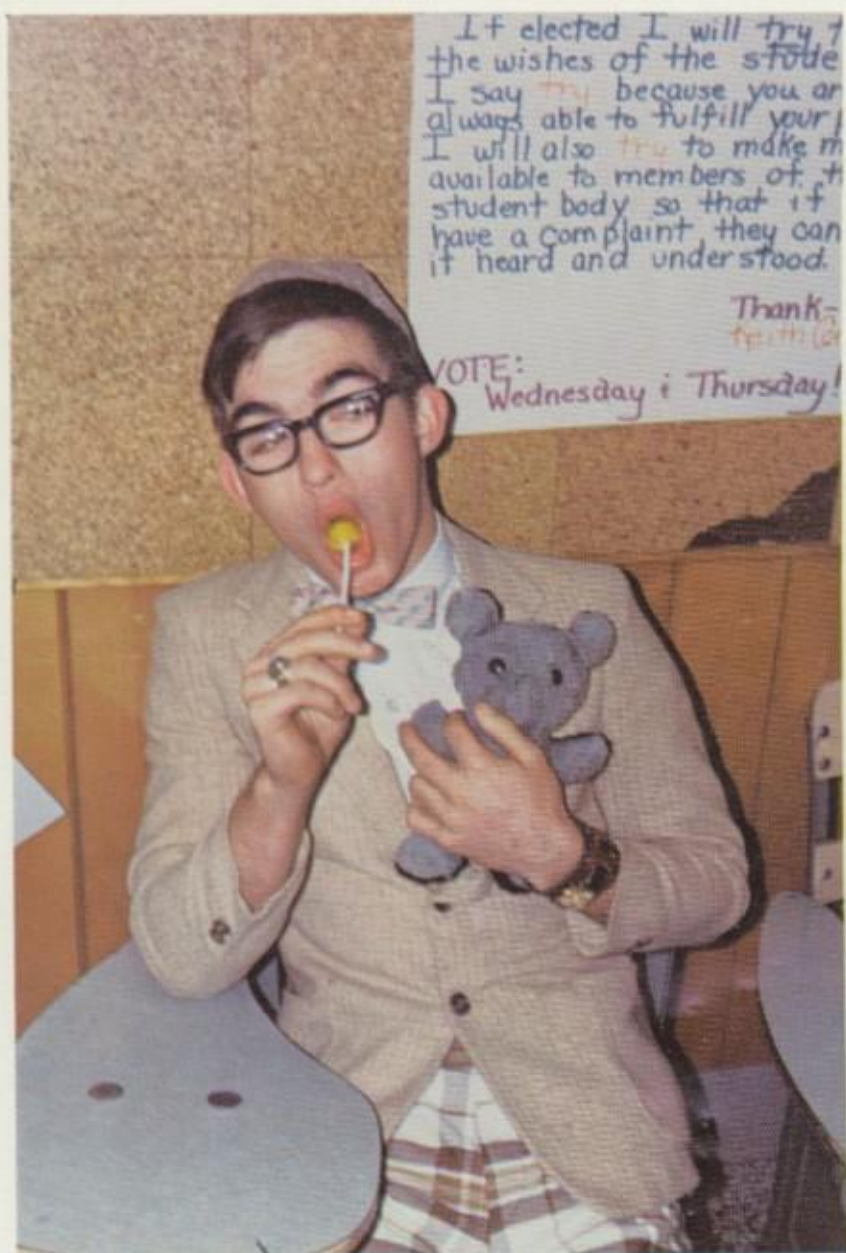

Since you have so dedicated yourselves to us, it is our deepest wish to dedicate something of ourselves to you, with all the respect and admiration we can muster together.

What can we say, but--

Thank you . . .

From your class, the Class of 1972.

The Class of '72 is including the Zodiac in the '72 year-book, not only because of its current popularity, but because it symbolizes our individual personalities while it also stands for our unity. It shows how everyone is different--yet everyone has their place in the natural order of things. In any organization--or, more specifically in this case, a unification of people--their different, individual traits show through as they give their own special contributions to the group. Sometimes, the personalities may clash--but when order is restored, the unity is stronger than before. It will endure.

# Yearbook Staff

The '72 yearbook staff extends much gratitude and appreciation to Mrs. Byrnes, without whom the yearbook would be, simply, not possible. Her dedication to us and real concern have helped us to achieve this, a truly memorable and gratifying experience.

# Student Achievements

Fran Catlin, Mr. Murtagh, Serge Piche, Roger Streeter, Kathy Kennedy, David Guertin.

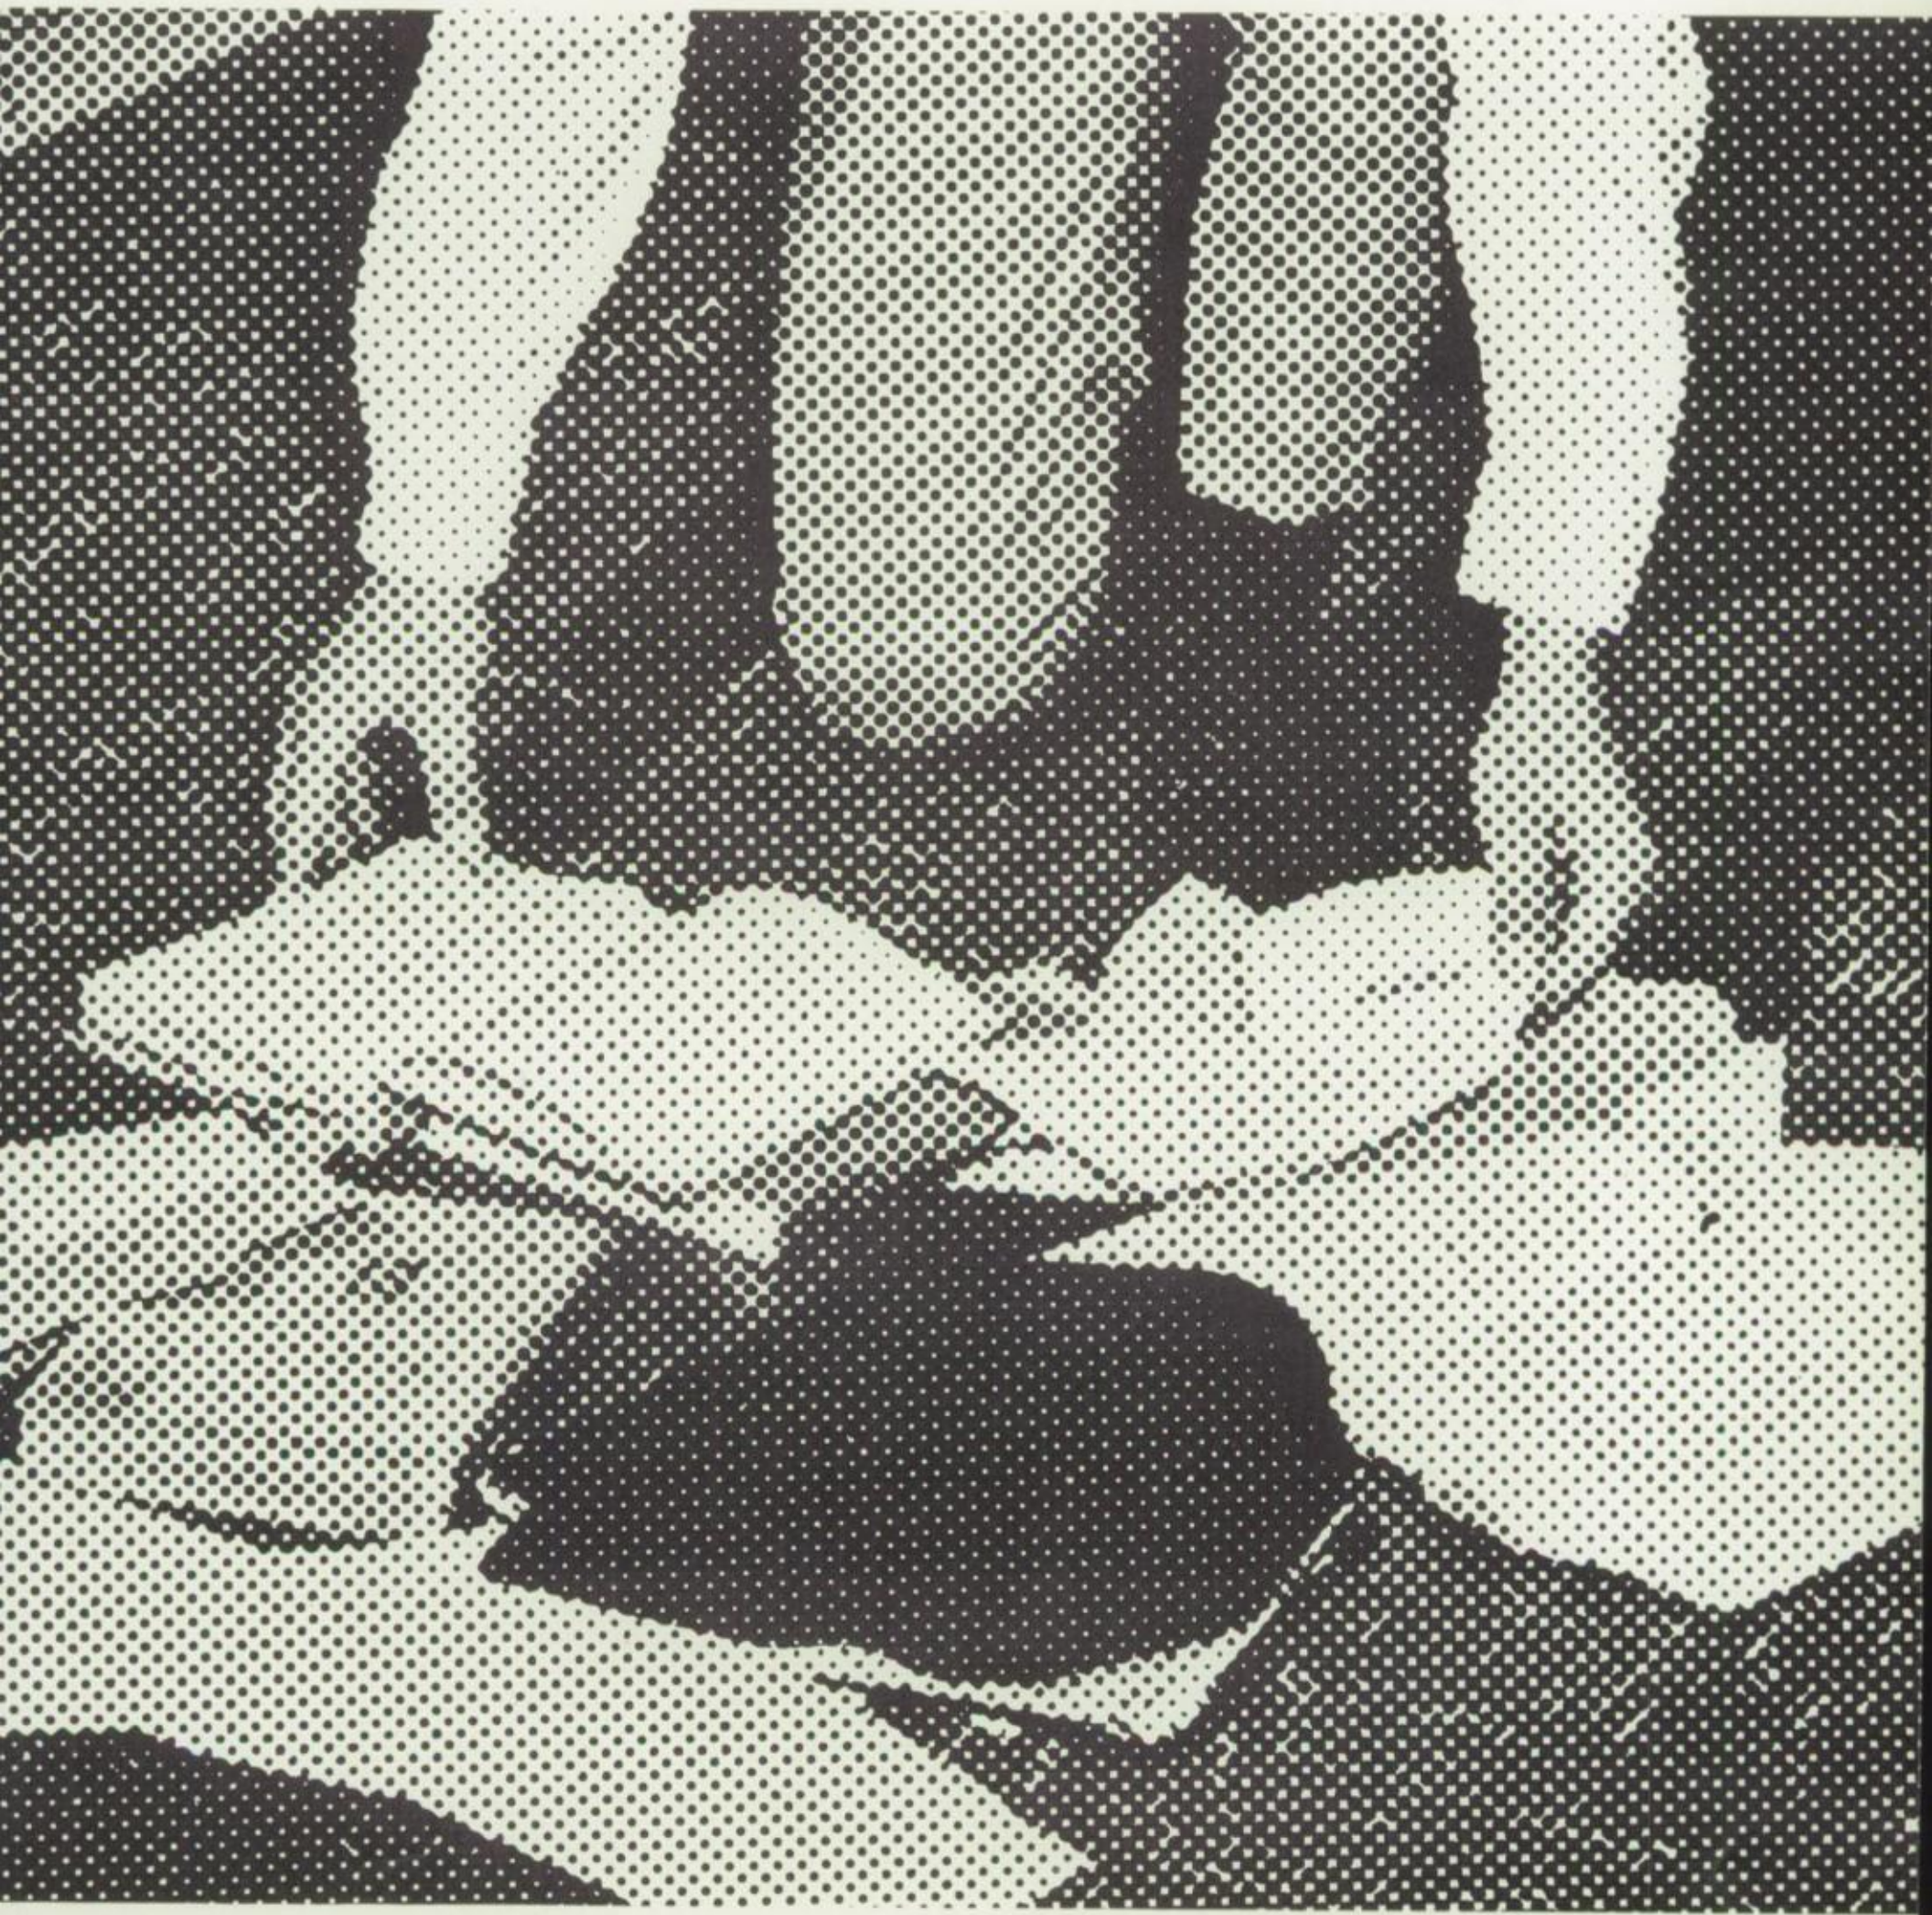

Each year four lucky Seniors receive scholarships to tour some of the major cities and the country side of Europe thanks to the efforts of Miss Tripeny and the Student Council. This event replaces the Foreign Exchange Student Program, and enables more students to visit foreign lands and discover other cultures.

Ken Cassler, Field Executive Area 2G, Bob Dwyer, Scoutmaster Troop 39, Mrs. Lawrence Goodnough, Hector Cobb, John Russell, Neighborhood Commissioner.

Hector Cobb was presented the Eagle Award, a goal achieved by less than one percent of boys entering scouting. Hector is the second scout in the history of Winthrop-Brasher Troop 39 to achieve the rank. He was presented the award by Mr. Kenneth Cassler, District Scout Field Executive, and received a wristwatch and clock radio from Mr. Charles Stahl in behalf of the St. Lawrence Central Faculty.

## FRESHMEN

Everyone knows that your freshmen year is one of the worst to go through in high school. Not only is the work harder than what you're accustomed to, but there are three more years to go, and this thought could stagger the imagination. The Class of '75 is taking this all in stride, planning for the years ahead. Taking into consideration what they've actively accomplished so far; they will be good years.

## SOPHOMORES

Early in the year the Class of '74 befuddled the Seniors by taking from them the Big Mouth Award which the Class of '72 had coveted for the past two years. Although the Seniors were saddened by the loss, they did have to admit that the energetic Sophomores were doing a great job peppering up the crowds at games along with showing a great deal of enthusiasm in every thing they have undertaken as a class project. Good Luck, Sophomores, and use your spirit well!

One of the greatest achievements a high school student can attain is to be tapped into the National Honor Society. Judged on the basis of scholarship, character, service and leadership, these students must strive to maintain the ideals these requirements imply. Membership in this organization is surely a great challenge, but it is an even greater tribute to the student.

The FFA is an intra-curricular activity having its origin in vocational agriculture. Its program of work and activities promotes the development of leadership, cooperation, service, thrift, business experience, citizenship and improved agriculture.

A couple of the major activities that some of the SLC FFA members took part in were the Morrisville Agricultural and Technical College Judging Contest and the St. Lawrence County Land Judging Contest.

The Morrisville ATC event is held for the FFA students from the Northern and Central parts of New York

State. Judging events are held in Agricultural, Milk Quality Judging, Forage Crops, Land, Dairy Laboratory Testing, Pest Identification, Agricultural employment Interview Contest, Small Gas Engine Trouble Shooting and Dairy Cattle Judging.

The other event as pictured on this page was the St. Lawrence County Land Judging Contest. After the FFA members had been trained in soils study and agronomy a Junior and Senior team competed in the county wide event. The St. Lawrence County Soil Conservation district with its soil specialists conducted the contest.

## Spanish Club

Unfortunately, the Spanish Club Members can't look forward to an annual trip, because of the severe shortage of Spanish-speaking people in or around the North Country area. Someone once suggested a visit to Spanish Harlem, but you know how hard it is to book reservations there! To make up for the disappointment, members have busied themselves with a few fiestas from time to time.

## French Club

On the other hand, the French Club really gets around. Each year they invade the city of Montreal on an excursion to learn more of the practical side of the French language. The trip proves as something to work for and look forward to all French Club Members, including Mr. Dalbec.

## 1971

It takes a lot of hard work.

The 1971 season was one of disappointment. We beat only Holy Family and lost to Madrid-Waddington by three points.

Two old records were broken this year by Fred LaBlanc, who broke the high jump record and Pat Murray, who broke the old long jump record.

The 880 relay was given a good run by 4 outstanding seniors:

Dick Cootware  
Fred LeBlanc  
Brian Frary  
Roger Streeter

Superior effort was given by a Freshman Chris LaMora and by senior Stanley Waldruff.

The oncoming year looks promising. "The only way is up" with a fair amount of depth remaining and a firing young team.

# 1971

The JV-Baseball team under Mr. Short, as Coach, had a good season, with a record of 8 and 5. Matt Nezezon was captain and obtained a batting average of .595. Joe LaValley was chosen most valuable player. And Rod Truax, a freshman, hit three home runs during the season.

Our Star

# Football 1971

## Junior High

The Seventh and Eight Grade Football team achieved first place. Under Mr. Pickard and Mr. McGreevey, these stars of the future had to learn everything from how to put on a uniform to learning defensive strategy. The players and the coaches did a great job and deserve to be congratulated with a record of 4-1.

## JV

Chris Kilcoyne and Mark Eldridge were captains of the JV team. The coaches were Mr. Riggs and Mr. Nickau.

Although just as much effort was put forth by both the team and coaches, the team ended up the season with a record of 1-4-1.

No awards such as MVP have been announced yet.

## Varsity

The Varsity Team compiled a 6-1-1 record to break their 4-3-1 record last year. Throughout the entire season the team played well, were well organized, and most importantly were well disciplined. Eight members of the team made All Northern; Kelly Dempsey, John Burns, Rod Truax (first team), Kirk Dempsey, Ed Pierce, Marlowe Villnave (second team). Danny Sebring and Terry Gardner (honorable mention).

Kelly Dempsey made All Up State, First team, and was chosen most Valuable Player. Marlowe Villnave was chosen Most Valuable Lineman. Most Valuable Back was Rod Truax.

Mr. Mahoney was Head coach, Mr. Geagan defense coach and Mr. Mammano was offensive coach.

## Special Thanks

Mr. Perry

Mr. Alverson

Mr. Dalbec

The Class of '72 wishes to acknowledge their appreciation to these members of the faculty for their support and help in our class efforts.

During the infamous Mr. Pickard Crisis of 1970 (We all thought he was going to be drafted), Mr. Perry, an old "72" enthusiast, willingly and cheerfully offered his services as class advisor. Thank you, Mr. Perry; your faithful support has really given us a lift.

Mr. Alverson deserves a big hand for giving us his valuable time in performing errands for us.

Coach Dalbec has helped to cheer up the sports scene at St. Lawrence, for which us '72ers are grateful.

Many thanks to Mrs. Sennett for helping us with the prom; and the making of sports posters for school events. Another special thank-you is said by a dozen-or-so European-Bound Seniors!

Mrs. Gale has always co-operated with the class of '72. How would you like to supervise the cooking for a promful of people?

Three cheers for Mrs. Besio for letting us use the business facilities, which has helped our class activities through the year.

Mr. Dawson's efforts have helped to make this yearbook possible, as he supervised or did much of the photography himself, giving us a considerable amount of his time and skills.

We are proud to honor these teachers and wish them well in the years to come.

# Lest We Forget . . .

Dr. Ralph L. Culipp, Jr.  
Jan. 18, 1920-Aug. 16, 1971

St. Lawrence Central holds in fond and grateful remembrance, the name of Ralph Culipp Jr., M.D., not only as the devoted town doctor for so many years, but also because of his faithful service as School Physician.

At first, studying pre-med at Ateneo De Manila, in the Philippines in 1938, he obtained his Bachelor of Science degree in 1940 at the University of Vermont. After receiving his Medical Doctorate degree at the College of Medicine at the University, he served his internship from 1943-1944 at the Mary Fletcher Hospital in Burlington, Vermont.

During the years 1944-1947, he rose to the rank of Major in the United States Army Medical Corps in Germany.

He then came back to Brasher Falls and served on the Postdam Hospital Medical Staff and at Massena Memorial Hospital until date of death.

Dr. Culipp first became our School Physician on July 1, 1949, and continued to be until the day of his death.

Ralph Culipp Jr. is remembered by all as a warm human being who dedicated himself to the health and well-being of all people. We think back on him with love, trust, and above all, honor.

Lenore Griffin Hall Sherman  
May 19, 1915-September 17, 1971

Mrs. Sherman graduated from North Lawrence High School as a member of the Class of '31, and from Potsdam State Teacher's College in 1933. She taught in rural schools until 1944, when she began teaching elementary grades in St. Lawrence Central in Brasher Falls.

Those of us who were taught by or acquainted with Mrs. Sherman remember a bright and warm time in our lives, illuminated by the concern and friendship she offered to all.

Time has come and gone so fast,  
It seems like everything's in the past.  
Things that were here,  
That I thought would stay  
Have left for good, but I still pray.  
The past it seemed had much to give;  
I wonder why I should have to live  
In a world of sorrow and heart-break.  
Is this what we must learn to take?  
I wonder why this should come about,  
In the world of today I have some doubt  
About things,  
and the way they should be:  
I hope someday we will all be free . . . . .

Best

If a man does not keep pace with his companions, perhaps  
it is because he hears a different drummer.

Let him step to the music that he hears,  
however measured or far away."
